★EARLY MOVE-IN SEPTEMBER 16TH

If you are planning to live in campus housing (other than Family Student Housing) and want to participate in the STARS Workshops, you may request early move in/ check-in on Wednesday, September 16th on the response form below.

STARS early move-in requires attendance at the STARS Workshops. The response date of August 24 is a firm Campus Housing deadline.

The STARS move-in date supercedes college move-in dates that you will receive later in the summer. A \$48.48 fee will be automatically charged to your UCSC account. The fee will cover housing plus \$27 of UCSC flexi-dollars (dining credit) which can be used during early move-in and throughout the year.

"After talking to transferring friends who didn't attend, I realize the Workshops gave me a real advantage to adjusting and succeeding this year. I developed a sense of the academic expectations of the university and I began to feel that I was part of a community."
